PRODUCT INFORMATION

EXPOBAR ZIRCON

crem INTERNATIONAL
WITH A PASSION FOR COFFEE

EXPOBAR ZIRCON
It's a solid and technologically advanced espresso coffee machine that will make you enjoy an excellent coffee. It's available in a simple version with one boiler for perfect control of the coffee brewing temperature.

EXPOBAR ZIRCON is equipped with independent switchboards that will allow you to program the different doses per group. Besides it has an optional advertising display, that will be an excellent showcase to present the information you wish.
