

MONROC

Monroc is an efficient espresso machine that fulfils all demands for a nice espresso in a simple and easy way. The user-friendly functions of the machine are based on well-tried technology and by skilful and professional craftsmen. This means that Monroc is a reliable and solid machine that you can really trust, every day – year after year.

Monroc is very suitable for smaller cafés and restaurants where you wish to serve espresso, cappuccino, caffé latte or other espresso based drinks.

FEATURES

Monroc is a two-group espresso machine with automatic water filling and a steam tank with a 11.5 litre capacity. Monroc has an electronic cup dosage in order to easily be able to pre-programme the required amount of water for various cup sizes.

MONROC

PURE PASSION

With taste and quality in focus, Crem International manufactures and markets the two strong Coffee Queen and Expobar brands. The Coffee Queen range includes machines for freshly brewed coffee, automatic espresso, instant and juice. Expobar offers tradicional espresso machines of the highest quality. With development and production in our own factories, we offer modern and innovative coffee and beverage solutions for tomorrow's needs in hotels, restaurants and cafés, at work and in public spaces, where only the best is good enough.

A strong brand of Crem International
