WAVE~ACTION™ SYSTEM

HBH450

TANGO™

Wave~Action™ System - Ordinary blenders spin contents around the walls of the jar, which can leave whole chunks untouched by the blades. The Wave~Action™ System has a unique container and blade design for smooth results every time.

15 Second Daiquiri - When thirsty customers are waiting, you can blend 16 oz. drinks in 15 seconds flat.

Timer & Two Speeds with Pulse Option - The timer is indispensible for busy bars. Two speeds offer precision blending for a wide variety of mixtures.

Durable Stainless Steel Blades - Four stainless steel blades are made to last and get the job done fast.

48 oz. Stackable Container - Break-resistant polycarbonate container with easy-to-read measurement marks stacks up for storage.
