UNOX®

ENGLISH

COOKING QUALITY, VERSATILITY, RELIABILITY.

The ingredients of your success.

In cooking, every gesture has a specific meaning and every action a clear purpose.

Your restaurant is as unique as your touch of brilliance. CHEFTOP MIND.Maps™ easily fits your needs to enable you to express your creativity with no restrictions. Technology designed for chefs, invented to help you build your success.

Technology that becomes Intelligence: Thanks to the exclusive and patented ADAPTIVE.Cooking™ mode, CHEFTOP MIND.Maps™ understands the result that you have in mind, interprets your settings, registers the variations of temperature and humidity, understands the quantity of food that is in the oven and optimizes the cooking process to achieve exactly the results that you expect.

CHEFTOP MIND.Maps™ is not just an oven, it is a set of solutions: convection oven, static oven, steamer, cook-and-hold, fryer, grill. Allowing you to build the right solution for you.

FLEXIBILITY.

UNOX Solutions for Restaurants.
